

REMARKS

The Notice of Non-Compliant Amendment indicates that the amendments to the specification are deficient. The amendments to the specification have been modified to be in compliance.

The Notice of Non-Compliant Amendment also indicates that the claims are deficient for two reasons. First, it states that claims 35 and 36 are not original claims. Our copy of the original application as filed indicates that claims 35 and 36 were present with the original filing. However, Applicant has amended these two claims to indicated that they are new.

Finally, the pages of the specification have been separated from the claims so that each section begins on a separate page.

In light of the statements above, Applicant respectfully requests issuance of claims 1-36. If any impediment to the allowance of these claims remains after entry of this Amendment, and such impediment could be alleviated during a telephone interview, the examiner is invited to call David W. O'Bryant at (801) 478-0071 so that such matters may be resolved as expeditiously as possible.

The Commissioner is hereby authorized to charge any additional fee or
to credit any overpayment in connection with this Amendment to Deposit
Account No. 50-0881.

DATED this 19th day of May, 2004.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David W. O'Bryant". The signature is fluid and cursive, with a large initial "D" and a stylized "W".
